A CRISIS LIKE NO OTHER FOR THOSE ALREADY AT-RISK

An estimated 900 million people now face chronic hunger due to COVID-19. GFN food banks are struggling to keep pace:

100%

report an increase in demand for emergency food

93%

report an urgent need for food

59%

are seeing a critical funding shortfall

365M

children cannot access school meals

OUR IMPACT

GFN supports locally led food banks in 40-plus countries, the majority of which are based in resource-scarce communities. Your support equips these food banks with evidence-based solutions, capabilities and funds that accelerate food assistance—providing hunger relief now and building resilient communities for tomorrow.
